

Employment

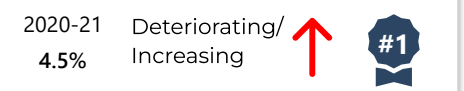

ECON 01: Percentage of Unemployed People Assisted into work from Council Funded/Operated Employability Programmes

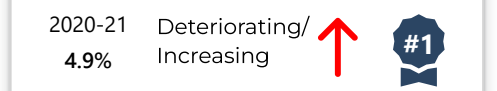

ECON 07: Proportion of people earning less than the living wage

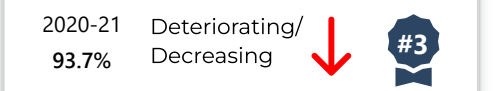

ECON 12a: Claimant Count as a % of Working Age Population

ECON 12b: Claimant Count as % of 16-24 Population

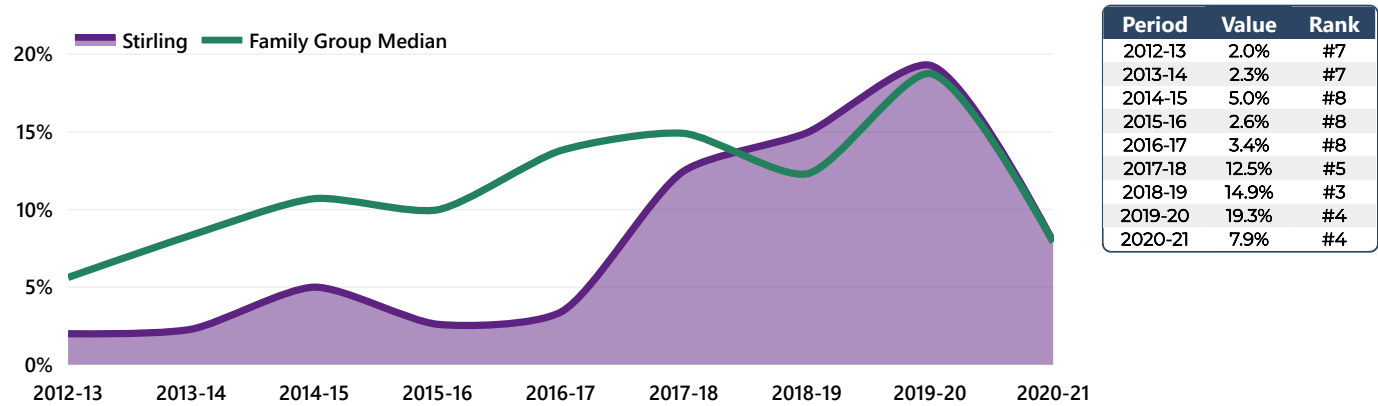

CHN 21: Participation rate for 16-19 year olds (per 100)

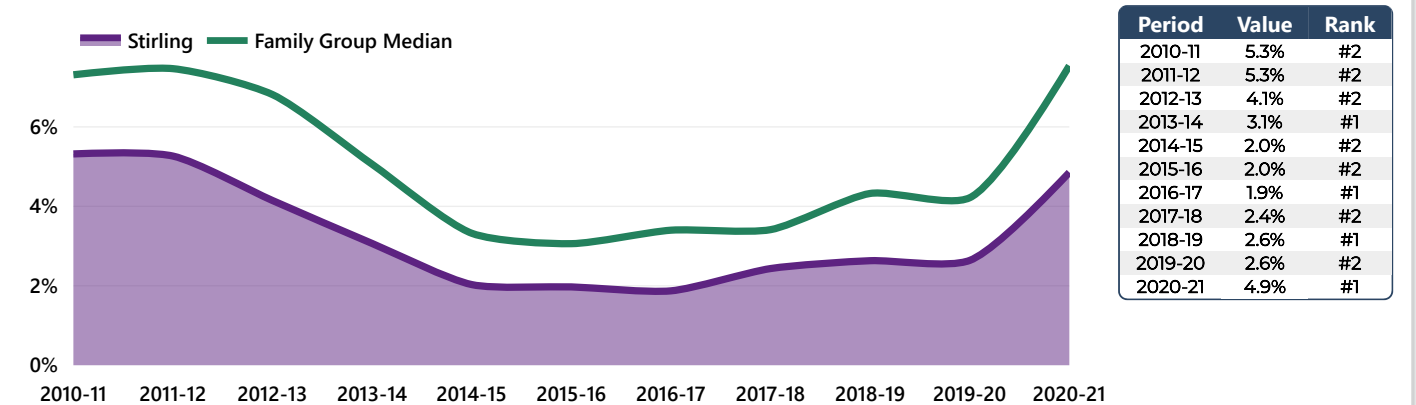

Stirling's overall data in this section is positive, comparing well both with comparator Councils and nationally. This is positive at a Council wide level. Targeted work continues in locality action plan areas to reduce the socio economic gap between these communities and the Council wide position.
